

ccmc::FileReader

```
classDiagram
    class ccmc_CDFFileReader["ccmc::CDFFileReader"]
    class ccmc_FileReader["ccmc::FileReader"]
    ccmc_CDFFileReader --|> ccmc_FileReader
```

The diagram illustrates a class hierarchy. At the bottom is a white box labeled 'ccmc::CDFFileReader'. A blue arrow points upwards from this box to a gray box at the top labeled 'ccmc::FileReader', indicating that 'ccmc::CDFFileReader' inherits from 'ccmc::FileReader'.
